

## Reading the bible in 40 days in Lent 2021 (Bronze: Gospel of Luke/Book of Acts)

Lent including Sundays is actually 46 days (it's church: we don't count very well). I plan to take full advantage of the "mini-Easters" each Saturday offers as that's my 'Sabbath'. For you it might be Sundays, or any other day of the week that works best – even varying from one week to the next if that works for you. I'm also planning to 'buy' the time to do this reading by fasting – fasting from Social media, maybe some TV time, maybe even reading over some meal times. Just do what's best for you. The bible also tells us to 'encourage one another' – so I've also set up a whatsapp group so we can share what we've discovered and how we're getting on – send me your mobile number to mine – 07504827929 and I'll include you in the group. *Don't forget the aim is to allow God to speak through the big picture of scripture!*
